ARTICLE X

Qualifying Season:

Section 1

The qualifying season for the 2011 NAJC begins July 1st, 2010 through and includes June 27th, 2011.

ARTICLE XI

Qualifying Procedure:

Section 1

Selection will be based on a horse/rider combination's average scores at designated USEF/NAYRC Qualifying Competitions, and may also include reported CDI/Ys

- a) In the case of a tie, the average of the horse/rider combination's Team Test scores will determine the placing.
- b) Riders attempting to qualify with more than one (1) horse must follow all rules and meet all qualifying requirements with each horse.
- c) At the NAYRC, a competitor may only ride one (1) horse in each discipline (FEI Dressage Regs. Art YR-12.2).

Section 2

A horse/rider combination must compete in a minimum of three (3) designated USEF/NAJYRC Qualifying Competitions and/or CDI/Ys.

- a) Riders must ride in qualifying classes designated as USEF/NAYRC FEI Young Rider tests when riding in an USEF/NAJYRC Qualifying Competition. Scores from Test of Choice (TOC) classes will not be counted towards qualifying for the NAYRC.

- b) All of the competitions used to calculate the horse/rider combination's overall average must have used a panel of two (2) or more USEF "S" or FEI judges to officiate the FEI Young Rider Team Test, the FEI Young Rider Individual Test, and the FEI Young Rider Freestyle Test.
- c) A horse/rider combination must compete in at least one (1) designated USEF/NAJYRC Qualifying Competition during the spring season (January 1, 2011 through June 27th, 2011). A CDI/Y may fulfill this requirement.
- d) USEF/NAJYRC Qualifying Competitions held prior to notification (whether written, electronic, verbal, or posted on website) of any changes to criteria, selection procedures, or required forms, are held under the same rules, guidelines, requirements and expectations as the previous criteria.

Section 3

Requirements regarding the FEI Young Rider Team Test, FEI Young Rider Individual Test and FEI Young Rider Freestyle

- a) Refer to Article XV for rules concerning competing in CDI/Y qualifiers as some of those rules may differ from USEF/NAYRC Qualifying Competitions.
- b) Each horse/rider combination must ride a minimum of three (3) FEI Young Rider Team Tests in combination with three (3) FEI Young Rider Individual Tests at designated USEF/NAJYRC Qualifying Competitions and/or CDI/Ys. The combined score from the two (2) tests at each competition will go into the overall average.
- c) Each horse/rider combination must ride a minimum of one (1) FEI Young Rider Freestyle at a designated USEF/NAJYRC Qualifying Competition and/or CDI/Y and earn a minimum score of 62%; however this score will not be computed into the overall average.
- d) A rider may ride all three (3) qualifying tests at a designated USEF/NAJYRC Qualifying Competition (Team, Individual and Freestyle).
- e) A rider may elect to ride only the FEI Young Rider Freestyle at a designated USEF/NAJYRC Qualifying Competition.
- f) A rider may not ride only the FEI Young Rider Team or only the FEI Young Rider Individual Test at a designated USEF/NAJYRC Qualifying Competition. If a rider chooses to ride the FEI Young Rider Team, he/she must ride the FEI Young Rider Individual Test and vice versa, or he/she will receive a zero for that qualifying competition.

Section 4

After having ridden the first of the two (2) qualifying tests (Young Rider Team) in an designated USEF/NAJYRC Qualifying Competition, a horse/rider combination may not scratch his/her second ride unless the rider submits an Official USEF/USDF Veterinary/Medical Withdrawal Certificate completed and signed by the official show veterinarian or from a physician stating the reason the horse and/or rider was unable to complete the competition. Documentation must be received by the USEF Dressage Department within 48 hours of the end of the competition. It is the sole responsibility of the rider to submit this documentation to the USEF Dressage Department within the time allowed. In such cases, the score for the single completed ride will not be factored into the horse/rider combination's overall average.

- a) Failing to submit such certificates will result in an overall score of zero (00.000%) for that entire competition for NAYRC qualifying purposes.
- b) Additionally, if a horse/rider combination does not enter the FEI Young Rider Team with the FEI Young Rider Individual Test or scratches one (1) test only (leaving only one (1) remaining), the entire competition will be recorded as a zero (00.000%) only for NAYRC qualifying purposes. (The achieved score will be applicable towards eligible USDF year-end awards calculations.)
- c) If a horse or rider is eliminated, or is excused for any reason during the FEI Young Rider Team or the FEI Young Rider Individual Test at a designated USEF/NAJYRC Qualifying Competition, the score will be recorded as a zero (00.000%) for NAYRC qualifying purposes and will be calculated into his/her overall average (except if a rider or horse is excused for a medical or veterinary reason as explained above).

Section 5

When calculating standings, the FEI Young Rider Team score will count for 50% of the score and the FEI Young Rider Individual Test score will count for 50% of the score. The FEI Young Rider Freestyle is not used in the calculation of the final standings.

a. Percentages are carried out to the third decimal point with numbers of five and above rounded up (63.4555% = 63.456%)

Section 6

If a horse/rider combination competes in more than three (3) designated USEF/NAJYRC Qualifying Competitions for the NAYRC, the scores from the one (1) competition that has the lowest average will be dropped. Only one (1) score will be dropped. CDI/Y scores will only be computed upon receipt of the CDI/Y Report Form within the specified deadline. Scores from these CDIs are calculable at the option of the rider. The scores will NOT be automatically calculated into the horse/rider's overall average without receipt of the CDI/Y report form within the specified deadline.

Section 7

A horse/rider combination can compete in as many designated USEF/NAJYRC Qualifying Competitions as they desire; however, scores from only one (1) competition will be dropped in accordance with the above.

Section 8

Horse/rider combinations must achieve an overall average score of 62.000% or higher from the combined scores from the FEI Young Rider Team and FEI Young Rider Individual Test to be eligible for team selection.

- a) Individual competition scores may be less than 62.000%, as long as their final average is 62.000% or higher.
- b) Horse/rider combinations must achieve at least one score of 62.00% or higher from the FEI Young Riders Freestyle.

Section 9

It is the responsibility of the rider to verify the accuracy of the standings posted on the USDF Web site. USDF is not responsible for inaccurately reported or illegible scores. You can access the Web site at www.usdf.org. If any errors are detected, riders are encouraged to contact the USDF office immediately at (859) 971-2277 or email at jryoungrider@usdf.org. The groom may also walk, lead and lunge a horse as above. Other parties are allowed to carry a whip, provided it is not in connection with the training of the horse. Under no circumstances is it allowed to school the horses in the stables.

Horses may not leave the stables, the competition area, or the areas supervised by Stewards for any purpose unless authorised by a recognised FEI Official of the event or a Veterinarian acting in the interest of the health and welfare of the horse."

- d) For purposes of this rule, the competition starts when horse and rider arrive on the show grounds.

Section 5

The following rules are in effect for all designated USEF/NAJYRC Qualifying Competitions and must be observed by the Organizing Committee (OC)/Competition Management and Officials.

- a) Judges with students who have submitted Declarations of Intent in a Region are ineligible to judge any FEI Young Riders classes at designated USEF/NAJYRC Qualifying Competitions or CDI/Y Competitions for the NAYRC within that Region.
- b) The FEI Young Rider Team Test and the FEI Young Rider Individual Test cannot be scheduled on the same day. The FEI Young Rider Team Test must be offered on a day prior to the FEI Young Rider Individual Test. The FEI Young Rider Freestyle may be scheduled on the same day as either the FEI Young Rider Team Test or the FEI Young Rider Individual Test, but must be scheduled after the Team Test. Consideration should be given to separating the FEI Young Rider Tests in accordance with the FEI philosophy.

ARTICLE XIII

Section 1
