Thank you for supporting the USDF Instructor/Trainer Program! We welcome your feedback and encourage you to continue to support the correct growth of **Classical Dressage Training** in the United States.

Please remember, the purpose of workshops is to broaden your knowledge and to help you improve your techniques and methodology. Don't expect to learn 'tricks' on how to pass the exam.

It is most important that you practice at your home base what you learned in the workshops. Then you will acquire the expertise and confidence it takes to do well at the final exam.

There is truth in the maxim: "Perfect Practice makes Perfect"

To continue in the Certification Process, we encourage you to consider the following:

- 1. Attend more workshops to continue to expand your knowledge and technique. Yes No
- 2. Attend Pre-Certification to gain experience with how to present yourself for testing. Yes No
- 3. You appear to be ready to test. Yes No

To find out where the next Testing is to be held contact the program Liaison at instructorcertification@usdf.org or by visiting the website at www.usdf.org.

Comments:
