US Dressage Finals Eligibility – New Protocol for 2026!

The US Dressage Finals is an Invitational competition using the USEF/USDF Regional Championship program to qualify. Qualifying takes place at each of the nine Great American/USDF Regional Dressage Championships, based on either 1) Placing in a Regional Championship Class or 2) Wild Card Eligibility. Either must be achieved at a Regional Championship in a class and eligible division offered at the US Dressage Finals.

I. Qualification Based on Placing in a Regional Championship Class:

The top four placed horse/rider combinations for each level and eligible division from each of the nine Regional Championships will be automatically invited, provided the following requirements are met: US Citizenship and earning an eligible placing in a Regional Championship class.

- 1) Placing in a Regional Championship Class: Eligibility to enter US Dressage Finals classes is based on a horse/rider combination's placing in a Regional Championship class. The top four placed horse/rider combinations in eligible classes will be automatically invited as long as they have achieved the prerequisite score of 57% or higher.
- 2) United States Citizenship Requirement: To compete in any US Dressage Finals class, the rider must be a US citizen at the time they compete in the US Dressage Finals.

II. Qualification Based on Wild Card Eligibility:

Horse/rider combinations who are not otherwise qualified to compete in the US Dressage Finals based on their Regional Championship placing (see above) will be invited to participate in a Finals class by earning a Wild Card score achieved at one of the nine Regional Championships, provided the following two requirements are met: US Citizenship and earning an eligible Wild Card score in a Regional Championship class.

- 1) Eligible Wild Card Score: Eligibility to enter US Dressage Finals classes is based on a Wild Card score earned in a Regional Championship class. For all levels and divisions from Training through Grand Prix, a horse/rider combination that competes in a Regional Championship class and achieves a score at or above the score listed below for that level and division may compete in the same level and division at the US Dressage Finals.
- 2) United States Citizenship Requirement: To compete in any US Dressage Finals class, the rider must be a US citizen.

Group 1 (WA, OR, CA, HI, AK, MT, ID, AZ, NV, UT)

Group 2 (WY, NM, CO)

Group 1 competitors are eligible to apply for grants of up to \$1,500. Those in Group 2 are eligible to apply for grants of up to \$1,000. Group 1 applicants will receive priority allocation. Grants will be based solely on the rider's residence of record.

To be considered for a grant, the competitor must submit a grant-request application with entry, which can be done through the online entry process. Grants will be awarded only after the horse/rider combination is verified as having arrived on the competition grounds. Travel grants will be paid to the USDF recorded owner of the horse within 30 days after the competition. Travel grants will not be paid at the competition.

US Dressage Finals Rules:

1. The US Dressage Finals is a Level 5 competition. Please refer to USEF Dressage Levels Chart for specific competition requirements.
2. Each entry must designate the division being entered (open, adult amateur or junior/young) and must meet invitation or wild card requirements for each championship class entered.
3. If a rider intends to enter the US Dressage Finals as an adult amateur, the rider must be an adult by the current USEF definition (DR 119.3) and a current amateur by the USEF definition. (USEF GR1306, 1307).
4. If a rider intends to enter the US Dressage Finals as a junior/young rider, the rider must be a junior/young rider by the current USEF definition (DR119.3).
5. A Rider must be a US citizen at the time of the US Dressage Finals competition in order to ride in a Finals class.

6. Proof of membership: USEF and USDF registration are verified electronically if valid membership numbers are provided on entry form. Copies of USEF and USDF memberships, horse recordings, and Lifetime Horse Registration ARE NOT REQUIRED with your entry provided you include the membership numbers on your entry form. You may be asked to provide copies if your memberships cannot be verified for any reason.
7. If the horse has more than one owner, at least one owner must have both active USEF membership and active USDF Participating or Business Membership and must be the owner of record with USEF and USDF. For a business or farm to be the valid owner under this requirement, it must be listed as an owner with both USEF and USDF.
8. Whips may not be carried in championship tests (Exception: Competitors in possession of a Federation Dispensation Certificate or Presidential Modification letter. Competitors riding sidesaddle may carry a whip no longer than 47.2 inches (120 cm), including lash, in USEF/USDF Championships.) An adjustable-length whip may not be carried by a mounted rider.
9. All championship tests must be ridden from memory. (USEF DR122.1)
10. Under penalty of disqualification from all championship classes for the horse/rider combination, within 24 hours prior and at no time during a USEF/USDF Championship competition may any horse entered in that championship competition be ridden by anyone other than the rider entered in the Championship competition on that horse (exception: grooms riding on loose rein). Further, any horse entered in the Finals competition, even entered at two levels, must be ridden by the same rider throughout the competition. (USEF DR127.6) (NOTE: This applies throughout the entire competition, even after a horse has completed its championship classes.)
11. In the event of a tie (equality of total points) for champion and/or reserve champion in USEF/USDF championship classes, the collective marks will determine first, second, and/or third or all three places; (i.e., when a tie for first place is broken by collective marks, tied competitors will receive first and second places, etc.). If collective marks are equal, the tie will remain unbroken (i.e., two first places will be awarded next third place, etc.). For ties in freestyle classes refer to USEF DR129.5 which states the highest score shall be declared the winner of the class. In the case of a tie, the higher artistic score shall determine the winner. Ties (equality of total points) after second place will be broken by collective marks. Ties (equality of total points and collective marks or artistic scores) occurring in third through eight places will remain unbroken. In the case of a tie (equality of total points and collective marks or artistic scores) for champion, prize money designated for champion and reserve champion will be combined and divided equally between the two competitors.
12. Hors de Concours entries are not permitted in USEF/USDF championship classes. (USEF DR119.5) Horses competing Hors de Concours in a non-championship class at the competition, are no longer eligible for further prizes, awards, or placings at that competition.
13. In a US Dressage Finals class, the horse/rider combination must obtain the necessary minimum percentage score to be named champion or reserve champion. (USEF DR123.6) If the highest placed horse/rider combination receives less than the minimum percentage, no Championship awards or prize money will be issued, however an awards ceremony will be held for the entire class.
14. In USEF/USDF championship classes, a steward will be appointed to check the saddlery, bits, and spurs, on both sides of each horse immediately after it has completed its test and has left the arena. The Technical Delegate may follow the competitor to a designated area if necessary. Any discrepancy to the saddlery rules will result in immediate elimination. (USEF DR126.1.i.1)
15. TDs must investigate incidents of non-compliance and report violations to USEF.
16. A tentative schedule for the awards ceremonies will be available in the show office and within the electronic Event Program.
17. The confirmed schedule for the awards ceremonies will be posted in the show office by noon on the day prior to the beginning of the competition. If the posted awards schedule is changed, all affected competitors will be notified.
18. **New for 2026: Participation in awards ceremonies by rider/horse combinations placed first through third is mandatory. Awards ceremony participation for horse/rider combinations placed fourth through tenth is optional as riders are invited to attend but not required to attend. For first through third placed horse/rider combinations, failure without prior permission of the competition manager, to be present and properly attired, will eliminate the official score and placing and the next highest score will move up in placing.** If riders placed in US Dressage Final classes choose to participate in awards ceremonies, they must be present, mounted and in full riding attire at their designated times. It is recommended that saddlery for awards ceremonies be the same as in the competition, but that dark or white leg bandages or boots are also allowed. Conservative bell boots are permitted, i.e. bling, metallic are not allowed. For safety reasons competitors may decline to participate in the victory round.

The amount of prize money to be awarded for the US Dressage Finals Championships classes will be \$1500 for Champion, \$750 for Reserve Champion, \$350 for third place and \$150 for fourth place.

Prizes will include:

Awards for open Classes: Ribbons to sixth place for each class. First place competitors will receive a prize. Divisions (AA, Open, Jr/YR (for national level non-freestyle classes) may be run concurrently as one class. Divisions will be pinned separately. Riders must clearly specify division choice. When no designation is made, riders will automatically be entered as open. Riders may enter only one division per class.

High Score Breed Awards: Participating breed and performance registries will award two high score awards for junior/young riders, one for the national levels (Training through Fourth Level combined), and one for Prix St. Georges and Intermediate I (combined), two high score awards for adult amateur riders, one for the national levels (Training through Fourth levels combined) and one for the FEI levels (Prix St. Georges through Grand Prix levels combined). There will also be two high score awards offered for open riders, one for the national levels (Training through Fourth levels combined) and one for the FEI levels (Prix St. Georges through Grand Prix levels combined). Results from freestyle and open classes will not be included. Only scores from the US Dressage Finals classes will be used for high score calculations. **Competitors must indicate their intent to be eligible for high score breed awards at the time they enter the competition.** More information on participating breeds and registries, and how to register for these awards will be available on the USDF website at <http://www.usdf.org/usdressagefinals/competitors/breed.asp>

A US Dressage Finals Regions Cup awards competition will be held for teams of riders from each region. Each regional team will consist of the top scoring eligible athlete/horse combination from Training/First Level regional championship classes, the top scoring eligible athlete/horse combination from FEI Level regional championship classes, the top scoring eligible adult amateur athlete/horse combination from Second-Fourth Level regional championship classes and the top scoring eligible junior/young rider athlete/horse combination from Training-Fourth Level regional championship classes. Reserve athlete/horse combinations will be substituted only once the athlete/horse combination they would be replacing has withdrawn from the finals class(es). The winning team is determined by averaging the highest final scores achieved by each athlete/horse combination in their US Dressage Finals class. In the case of competitors having the same score in one of the three categories (Training-First, Second-Fourth, Training-Fourth, FEI), the competitor with the score from the highest level (i.e. Grand Prix vs. Prix St. Georges) will be given first option of accepting. If competitors have the same score at the same level, the placing at the regional championship will be used to determine who will be given first option of accepting. If both levels and placings are the same, a coin toss will decide which rider would have the first option of accepting. Visit usdressagefinals.com for complete rules.

Awards Ceremony Schedule & Rules for US Dressage Finals Classes: A tentative schedule for the awards ceremonies will be placed within the electronic Event Program and the official schedule will be posted in the show secretary's office by noon on the day prior to the beginning of the competition. Classes will be placed champion, reserve champion, and third through tenth place for each US Dressage Finals Class. **Participation in awards ceremonies by rider/horse combinations placed first through third is mandatory.**

Awards ceremony participation for horse/rider combinations placed fourth through tenth is optional. Riders placing in the US Dressage Finals classes that choose to participate in awards ceremonies must be present, mounted and in full riding attire for award ceremonies (ten placings for all championship classes). It is recommended that saddlery for awards ceremonies be the same as in the competition, but that dark or white leg bandages or boots are also allowed. Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$100), 5-years (\$400), or life (\$2,000). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$80). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$280) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$55 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$45). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$95. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$140) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

USDF Horse Welfare Statement

As those engaged in equestrian sport, we are committed to ensuring our horses receive the best possible care to the best of our ability. We acknowledge that we are the caretakers of our horses and as such we are committed to always, without exception, treating our horses with dignity, fairness, kindness, and understanding.

We realize that horses, whether in a herd or as an individual, will communicate contentment, fear, pain and confusion in the only way they can, which often takes the form of physical reactions that can be misinterpreted and misunderstood.

Therefore, we believe it is our obligation to seek to understand our horses with the goal of providing care and training methods that are never the manifestation of anger, frustration or cruelty. We are committed to these principles at all times, whether on or off the show grounds.

We are committed to humane treatment and application of these principles on behalf of all animals including but not limited to horses, donkeys, mules, companion animals, and pets. Lack of humane treatment, whether the result of actions taken, or by care withheld, will not be tolerated.
