US Dressage Finals Eligibility

The US Dressage Finals is an Invitational competition using the USEF/USDF Regional Championship program to qualify. Qualifying takes place at each of the nine Great American/USDF Regional Dressage Championships, based on either 1) Placing in a Regional Championship Class or 2) Wild Card Eligibility. Either must be achieved at a Regional Championship in a class and eligible division offered at the US Dressage Finals.

I. Qualification Based on Placing in a Regional Championship Class:

Champion and Reserve Champion horse/rider combinations for each level and eligible division from each of the nine Regional Championships will be automatically invited, provided the following three requirements are met: US Citizenship; Declaration of Intent completed by the deadline; and earning an eligible placing in a Regional Championship class.

Note: Since Freestyle classes at Regional Championships are not split by division, the top two Open horse/rider combinations and the top two Adult Amateur horse/rider combinations for each level from each of the nine Regional Championships will be automatically invited. In addition, to be eligible for the Adult Amateur division in the Freestyles at the US Dressage Finals, competitors must check the AA box on the Regional Championship entry form, and must provide proof of Adult Amateur status prior to competing in their Regional Championship classes.

- A. **United States Citizenship Requirement:** To compete in any US Dressage Finals class, the rider must be a US citizen.
- B. **Declaration Requirement:** The horse/rider combination must declare their intention to participate **by completing the Declaration of Intent form by midnight on the day prior to the first day of their Regional Championship competition (including any open class day before the start of championship classes)**. There is no fee to declare, but horse/rider combinations must declare at the level(s) and eligible division(s) they intend to compete in at the US Dressage Finals. Go to www.usdressagefinals.com to declare.
- C. **Placing in a Regional Championship Class:** Eligibility to enter US Dressage Finals classes is based on a horse/rider combination's placing in a Regional Championship class. Champions and Reserve Champions in eligible classes will be automatically invited, as long as their Declaration of Intent has been **received** by the deadline. *Note: In order to be named Champion and Reserve Champion in a Regional Championship class, a horse/rider combination must have achieved a score of 57% or higher.*

In the event that the Champion and/or Reserve Champion declines the invitation, or are ineligible to compete in the US Dressage Finals, the horse/rider combination that has the next highest placing in the class will be invited, providing they:

1. Achieved the pre-requisite score of 57% or higher.
2. Completed the Declaration of Intent for that particular level and division by the deadline.
3. Are a US citizen.

If that combination declines the invitation, the same process will be followed down through the fifth placing horse/rider combination *that has declared* for that Finals level and division.

No invitations will be issued beyond the fifth placing declared horse/rider combination except as may be eligible through the Wild Card invitations described below.

II. Qualification Based on Wild Card Eligibility:

Horse/rider combinations who are not otherwise qualified to compete in the US Dressage Finals based on their Regional Championship placing (see above) may be invited to participate in a Finals class by earning a Wild Card score achieved at one of the nine Regional Championships, provided the following two requirements are met: US Citizenship and earning an eligible Wild Card score in a Regional Championship class.

- 1) **United States Citizenship Requirement:** To compete in any US Dressage Finals class, the rider must be a US citizen.
- 2) **Eligible Wild Card Score:** Eligibility to enter US Dressage Finals classes is based on a Wild Card score earned in a Regional Championship class. For all levels and divisions from Training through Grand Prix, a horse/rider combination that competes in a Regional Championship class and achieves a score at or above the score listed below for that level and division may compete in the **same** level and division at the US Dressage Finals.

Note: Horse/rider combinations are not required to have filed a "Declaration of Intent" in order to receive a Wild Card invitation.

	<u>OPEN:</u>	<u>AA:</u>
Training:	72%	68%
First:	72%	68%
Second:	68%	65%
Third:	68%	65%
Fourth:	68%	65%
Prix St. Georges:	68%	65%
Intermediate I:	66%	64%
Intermediate II:	66%	64%
Grand Prix:	66%	64%
All Freestyles	66%	66%

III. Invitations:

Invitations and notifications will be emailed to eligible/qualified horse/rider combinations immediately after each Regional Championship. There will be three categories of emails:

- 1) Invitation emails will be sent to the first and second placed declared combinations.
- 2) Invitation emails will be sent to combinations eligible for a Wild Card.
- 3) Notification emails will be sent to 3rd-5th of those horse/rider combinations who have declared, notifying them that they are on the reserve/alternate list and reminding them to check the website for any status changes that would make them eligible for an invitation.

In the event that an invited horse/rider combination scratches, invitations may be issued up to the start of the competition.

Note: Competitors do not need to receive an actual invitation to nominate themselves for the US Dressage Finals. The entry system will have their eligibility status and they can nominate prior to receiving an email invitation.

IV. Nomination Requirement:

Nomination, including payment of the nomination fee, is **required** for participation in US Dressage Finals classes, **whether qualifying through placing in a Regional Championship class or by Wild Card Eligibility**. The nomination deadline is midnight, 96 hours after the last championship day in the regional championship show in which the horse/rider combination competed. Each US Dressage Finals horse/rider combination is required to complete the nomination (preliminary entry) process. The Nomination fee paid will be applied to the total amount due at Closing Date.

V. Entry Requirements

Completed entries for the US Dressage Finals **must be received** by the closing date, October 25, 2018, midnight Eastern Time. Stabling in heated Alltech barns will be allotted by region based on the number of entries received from each region at Closing Date. Assignments for each region's allotment will be based on the date completed entries are received from those requesting Alltech stabling, and completed entries must be received within five days, and no later than five days, after their nomination deadline in order to maintain priority.

US Dressage Finals Rules:

1. The US Dressage Finals is a Level 5 competition. Please refer to USEF Dressage Levels Chart for specific competition requirements.
2. Each entry must designate the division being entered (open or adult amateur) and must meet invitation or wild card requirements for each championship class entered.
3. If a rider intends to enter the US Dressage Finals as an adult amateur, the rider must be an adult by the current USEF definition (DR 119.3) and a current amateur by the USEF definition. (USEF GR1306, 1307)
4. A Rider must be a US citizen at the time of the US Dressage Finals competition in order to ride in a Finals class.
5. Proof of membership: USEF and USDF registration are verified electronically if valid membership numbers are provided on entry form. Copies of USEF and USDF memberships, horse recordings, and Lifetime Horse Registration ARE NOT REQUIRED with your entry provided you include the membership numbers on your entry form. You may be asked to provide copies if your memberships cannot be verified for any reason.
6. If the horse has more than one owner, at least one owner must have both active USEF membership and active USDF Participating or Business Membership. To be a valid owner under this requirement, a business or farm must be listed as an owner with both USEF and USDF.
7. Whips may not be carried in championship tests (Exception: Competitors in possession of a Federation Dispensation Certificate or Presidential Modification letter. Competitors riding sidesaddle may carry a whip no longer than 47.2 inches (120 cm), including lash, in USEF/USDF Championships.) An adjustable-length whip may not be carried by a mounted rider.
8. All championship tests must be ridden from memory. (USEF DR122.1)
9. The gate at "A" must be closed for every USEF/USDF championship ride. (USEF DR126.1.f.5)
10. Under penalty of disqualification from all championship classes for the horse/rider combination, within 24 hours prior and at no time during a USEF/USDF Championship competition may any horse entered in that championship competition be ridden by anyone other than the rider entered in the Championship competition on that horse (exception: grooms riding on loose rein). Further, any horse entered in the Finals competition, even entered at two levels, must be ridden by the same rider throughout the competition. (USEF DR127.6) (NOTE: This applies throughout the entire competition, even after a horse has completed its championship classes.)
11. In the event of a tie (equality of total points) for champion and/or reserve champion in USEF/USDF championship classes, the collective marks will determine first, second, and/or third or all three places; (i.e. when a tie for first place is broken by collective marks, tied competitors will receive first and second places, etc.). If collective marks are equal, the tie will remain unbroken (i.e. two first places will be awarded next third place, etc.). For ties in freestyle classes refer to USEF DR129.5 which states the highest score shall be declared the winner of the class. In the case of a tie, the higher artistic score shall determine the winner. Ties (equality of total points) after second place will be broken by collective marks. Ties (equality of total points and collective marks or artistic scores) occurring in third through eight places will remain unbroken. In the case of a tie (equality of total points and collective marks or artistic scores) for champion, prize money designated for champion and reserve champion will be combined and divided equally between the two competitors.

12. Hors de Concours entries are not permitted in USEF/USDF championship classes. (USEF DR119.5) Horses competing Hors de Concours in a non-championship class at the competition, are no longer eligible for further prizes, awards or placings at that competition.
13. In a US Dressage Finals class, the horse/rider combination must obtain the necessary minimum percentage score to be named champion or reserve champion. (USEF DR123.6) If the highest placed horse/rider combination receives less than the minimum percentage, no Championship awards or prize money will be issued, however an awards ceremony will be held for the entire class.
14. In USEF/USDF championship classes, a steward will be appointed to check the saddlery, bits and spurs, on both sides of each horse immediately after it has completed its test and has left the arena. Any discrepancy to the saddlery rules will result in immediate elimination. (USEF DR126.1.i.1)
15. TDs must investigate incidents of non-compliance and report violations to USEF.
16. A tentative schedule for the awards ceremonies will be printed in the Event Program.
17. The confirmed schedule for the awards ceremonies will be posted in the show office by noon on the day prior to the beginning of the competition. If the posted awards schedule is changed, all affected competitors will be notified.
18. Riders placing in US Dressage Final classes must be present, mounted and in full riding attire for awards ceremonies. It is recommended that saddlery for awards ceremonies be the same as in the competition, but that black or white leg bandages are allowed. Failure, without prior permission of the competition manager, to be present and properly attired, will eliminate the official score and placing and the next highest score will move up in placing. For safety reasons competitors may decline to participate in the victory round.

Third through Tenth place: Neck sash

All participants in US Dressage Finals classes will receive a commemorative stall plaque.

Awards for Dressage in the Bluegrass Classes: Ribbons to sixth place for each class. First place competitors will receive a Dressage in the Bluegrass commemorative stall plaque. Divisions (AA, Open) may be run concurrently as one class. Divisions will be pinned separately. Riders must clearly specify division choice. When no designation is made, riders will automatically be entered as open. Riders may enter only one division per class.

High Score Breed Awards: Participating breed and performance registries will award two high score awards for adult amateur riders, one for the national levels (Training through Fourth levels combined) and one for the FEI levels (Prix St. Georges through Grand Prix levels combined). There will also be two high score awards offered for open riders, one for the national levels (Training through Fourth levels combined) and one for the FEI levels (Prix St. Georges through Grand Prix levels combined). Results from freestyle and non-championship classes will not be included. Only scores from the US Dressage Finals classes will be used for high score calculations. **Competitors must indicate their intent to be eligible for high score breed awards at the time they enter the competition.** More information on participating breeds and registries, and how to be considered for these awards will be available on the USDF website at <http://www.usdf.org/usdressagefinals/competitors/breed.asp>

A "Regions Cup" awards competition will be held for teams of riders from each region. Each regional team will consist of the top scoring eligible athlete/horse combination from Training/First Level regional championship classes, the top scoring eligible

athlete/horse combination from FEI Level regional championship classes, and the top scoring eligible adult amateur athlete/horse combination from Second-Fourth Level regional championship classes. Reserve athlete/horse combinations will be substituted only once the athlete/horse combination they would be replacing has withdrawn from the finals class(es). The winning team is determined by averaging the highest final scores achieved by each athlete/horse combination in their US Dressage Finals class. In the case of competitors having the same score in one of the three categories (Training-First, Second-Fourth, FEI), the competitor with the score from the highest level (i.e. Grand Prix vs. Prix St. Georges) will be given first option of accepting. If competitors have the same score at the same level, the placing at the regional championship will be used to determine who will be given first option of accepting. If both levels and placings are the same, a coin toss will decide which rider would have the first option of accepting. Visit usdressagefinals.com for complete rules.

Awards Ceremony Schedule & Rules for US Dressage Finals Classes: A tentative schedule for the awards ceremonies will be printed in the Event Program and the official schedule will be posted in the show secretary's office by noon on the day prior to the beginning of the competition. Classes will be placed Champion, Reserve Champion, and third through tenth place for each US Dressage Finals Class. Riders placing in the US Dressage Finals classes must be present, mounted and in full riding attire for award ceremonies (ten placings for all championship classes). It is recommended that saddlery for awards ceremonies be the same as in the competition, but that black or white leg bandages are allowed. Failure, without prior permission of the competition manager, to be present and properly attired, will eliminate the official score and placing and the next highest score will move up in placing. Requests to be excused from an awards ceremony must be requested to the competition manager at least 30 minutes prior to the scheduled awards ceremony the rider is asking to be excused from. Unmounted horses may not participate in awards ceremonies. If mounted horses are lead in the groom must be appropriately dressed.

Awards, tests and music CDs not picked up at the competition will be mailed to the rider within three weeks after the event.

**This
competition
is recognized
by USDF
for 2019**

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.) Individuals cannot compete at a USEF-licensed/USDF-recognized competition with a USDF Education Membership.

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards, USDF Breeders Championship Series Finals, the Great American Insurance Group/USDF Regional Dressage Championship program and the USDF Adult Amateur Equitation Regional program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Education Membership (EM): A membership issued to an individual directly by USDF. This online education only membership expires 12 months after the date joined. This membership type does NOT allow an individual to compete at a USEF-licensed/USDF-recognized competition.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes or USDF Breeders Championship Series Finals. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, to compete at USDF Breeders Championship Series Finals, the Great American Insurance Group/USDF Regional qualifying and championship classes, and the USDF Adult Amateur Equitation Regional program, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.
